Dear Mr. Daggett:

Re: Duane Marine Site, Perth Amboy, New Jersey

Thank you for your letter dated April 6, 1987 regarding the above referenced subject. We greatly appreciate your efforts in accomplishing the removal activities and for furnishing the results of your responsible party search to the Department.

The Department has already drafted an Administrative Consent Order for the responsible parties to sign and this document is now being reviewed internally within DEP. Enclosed is a copy of the letter sent by us recently to John Czapor of your staff regarding the remedial investigation planned by the Department for the site.

We are sure that the excellent cooperation exhibited between the Department and the United States Environmental Protection Agency in this project will continue in all other projects.

Sincerely,

Richard T. Dewling

Dear Mr Czapor:

RE: Duane Marine Site
Perth Amboy, New Jersey

In response to your letter dated March 19, 1987 regarding the referenced subject, we hereby confirm that the Department has planned to take back the lead on this site upon EPA's written notification that the Removal is complete. The Department intends to pursue further work at the site including investigation of soil, groundwater and sediment through an Administrative Consent Order with the Responsible Parties.

We thank you and your staff, especially Ms. Janet Feldstein, for the fine work done regarding the Removal Action at the Duane Marine Site.

Should you have any question please contact Dhruva Kanjarpane, or myself at (609) 633-0701.

Sincerely.

Karen Jentis
